FRIENDS OF THE LIBRARY PRESENT:

GROUNDBREAKING READS

**ADULT BOOK DISCUSSION SERIES
NOVEMBER 2013 TO MARCH 2014**

What is a groundbreaking read? Perhaps classics like Zora Neale Hurston's "Their Eyes Were Watching God" or Ernest Hemingway's "The Sun Also Rises" which have stood the test of time? Or perhaps fascinating memoirs like Madeleine Albright's "Prague Winter" or Barack Obama's "Dreams of My Father" which shed light on influential leaders of the day? Or popular science fiction and fantasy novels like J.R.R. Tolkien's "The Hobbit" or Orson Scott Card's "Ender's Game" which immerse you in imaginative worlds? Still more, a groundbreaking read can be a book that inspires you or touches your life in some personal way.

The Adult Book Discussion Series provides readers with an opportunity to experience new fiction, rediscover classics, or enjoy favorite authors. At locations throughout the Library System, experienced and dedicated facilitators will lead these monthly discussions. Since each leader and group has its own unique style and membership, you might try more than one discussion group to maximize your enjoyment of the series.

For more information on the dates and times of each discussion, how to register and how to check out a copy of the book you will be reading each month, please call or visit the participating library of your choice. Also refer to individual branch listings within this publication.

PALM BEACH COUNTY LIBRARY SYSTEM CELEBRATES 10TH ANNUAL "FAMILIES READING TOGETHER" CAMPAIGN

November 2013 marks the Library System's 10th Annual Families Reading Together Campaign. This event serves to remind the community of the importance of sharing books with children and encouraging them to read on their own. This project is made possible by community sponsors and all events are free to the public.

During this year's celebration, all preschoolers and children attending kindergarten through first grade will be encouraged to read "Where Should Turtle Be?" by Susan Ring and illustrated by Laurie Allen Klein. Elementary school and public libraries will conduct special programs for the event. Additional outreach programming for day care centers will be provided by the Library System.

Kicking off the festivities on November 02, the Library System has planned a day of exciting activities at Loggerhead Marinelife Center in Juno Beach. Admission is free and children showing their library card will receive a free book of their choice at the Great Book Giveaway. Other activities that day include craft-making, a special visit by Neptunia the Sea Goddess, and a Storybook Stroll in Loggerhead Park with an appearance by Laurie Allen Klein, the campaign title illustrator. Families Reading Together programs during November include performances by Suzy Hammer as Neptunia the Sea Goddess at all library branches, "Ballet by the Book," performed by Ballet Palm Beach, and a bookmark design contest.

This campaign is sponsored by the Friends of the Palm Beach County Library System.
