## Healthy Mind & Bodies Series

Scientists have been rediscovering the links between stress and health. Mind-body medicine uses the power of thoughts and emotions to influence physical health. The goal of mind-body techniques is to relax, to reduce the levels of stress hormones in the body, and to improve your immune system. Recognizing that these practices can be accessible to people of all ages and fitness levels, the Consumer Health Information Service (CHIS) is offering Healthy Mind & Body classes throughout the county.

Participants will receive a free workout towel (while supplies last), and can enter a drawing to win gift cards to Whole Foods. Each class is 60 minutes. Please preregister to reserve your spot. For class times and locations, see this month's issue of Happenings.

- In **Accessing Inner Guidance**, you will learn simple meditation techniques designed to awaken inner wisdom, guidance and latent inner healing potential.
- In the class **Aromatherapy: Thriving in a Stressful World**, participants will discover how breathing techniques combined with aromatherapy can change mood.
- The **Functional Foods** workshop teaches you how to give yourself a health boost with powerhouse foods.
- **Sahaja Meditation** helps reduce stress and increase wellness.
- **Tai Chi** is easy to learn, and quickly delivers its health benefits.
- **Yoga Meditation** combines these two modalities to cleanse and harmonize the functions of the entire body, and calm and focus the mind.

The Healthy Mind & Body series has been made possible thanks to generous donations to the Friends of the Palm Beach County Library System, in the memory of the Palm Beach County Library System's founding CHIS Coordinator, Rachel Mick. Rachel was recognized at local, state and national levels for her work as a Consumer Health Librarian. She passed away on Monday, February, 22, 2016 following a three-year battle with breast cancer.

**All Palm Beach County Library System locations will be closed on  
Mon, Feb 20, for Presidents Day.  
No materials will be due on that day.**

Sponsored by the Friends of the Palm Beach County Library System.  
Auspiciado por los Amigos de la Biblioteca.
