10 YEARS Writers LIVE!

“10 years of connecting readers and authors”

Writers LIVE!, the library's flagship author event series, is back for its 10th anniversary of bringing the community together with authors and their books. 2018 boasts an impressive line-up of best-selling, critically-acclaimed, award-winning authors from a variety of genres who will discuss their latest works, chat with you, and sign books. The library has strived to make this a memorable year by providing something for nearly every reader in our area. Browse the booklet and mark your calendar with nearly half a year of literary events!

Local, independent booksellers will be selling books at every event. Purchasing a book not only supports our local economy and an author's creative achievement, but a percentage of each sale is donated back to the Friends of the Palm Beach County Library System, directly benefiting library services throughout the county. Your support is greatly appreciated!

This series is made possible through the generous support of the Friends of the Palm Beach County Library System, Inc.

To preregister for Writers LIVE! events, visit www.pbclibrary.org/writers-live-2018 two weeks prior to the event. Check listings for exact dates, as preregistration dates may vary.
